Dear Pete:

The Pulaski County Master Gardeners greatly appreciate your assistance with their 2005 Master Gardener Heritage Grant project at Curran Hall and Mount Holly Cemetery. Your involvement through the City of Little Rock Parks and Recreation Department's Urban Forestry program resulted in 45 trees being planted at the Little Rock Visitor Information Center at Curran Hall and Mt. Holly Cemetery. Your participation through in-kind support also helped secure funding for permanent historic markers and plant labels at both locations.

Your support of the Pulaski County Master Gardener Volunteers and their projects is greatly appreciated.

Sincerely,

Beth Phelps
